

Rocky Mountain Family Council

COLORADO

**2010
Legislative Directory**

The 2010 Colorado Legislative Directory is produced by Rocky Mountain Family Council (RMFC).

Founded in 1991, RMFC works with families, churches, community organizations and government leaders to strengthen marriages and families in Colorado. As a nonpartisan, nonprofit education organization, RMFC represents the traditional family at the state legislature and we publish a weekly Legislative E-mail update during the legislative session. We serve as a bridge to connect churches, organizations and individuals involved in pro-family efforts. RMFC also sponsors marriage workshops, seminars, and family events for churches and families statewide.

Impacting our culture for Christ is central to the work of RMFC. Our role is as a servant to God's three ordained institutions: the Church, the government and the family. RMFC is working to re-establish a healthy relationship between these institutions.

As we remember Jesus' command to love our neighbors as ourselves, we must not forget that everyone in our culture is our neighbor. We serve in this way not only for our neighbor, but for future generations to come.
